## Glamorous Greece

**A**starte Suites ([www.astartesuites.gr](http://www.astartesuites.gr)) is the new kid on the block in Santorini. Family-run, this nine-suite hideaway is on the more serene, less developed portion of the island, and million-dollar volcano and caldera views are of the panoramic kind. Each individually styled suite, be it in the Junior, Senior, Executive (they have dining areas and large outdoor lounges) or Honeymoon category, has separate bedrooms, as well as a private terrace and Jacuzzi under a canopy of Swarovski crystals. Extra touches include Hermès toiletries

EACH OF THE ASTARTE SUITES features its own Jacuzzi tub (top), some of which lie beneath panels encrusted with Swarovski crystals. Infinity-edge pools seemingly spill into the sea (above).

and welcome treats of champagne and fresh fruit. The most requested accommodations to date are the three Honeymoon Suites. Large enough to accommodate four guests, these suites feature two bathrooms, an additional living area with two sofa beds and a private outdoor pool. All can be booked over the GDS.
