ASTARTE SUITES

This family-run, nine-room hotel is in the least-developed part of the island. There are panoramas of the caldera rim, the village-topped cliffs looking like snow-capped mountains. The best rooms are those with traditional vaulted ceilings. Meals are served on your private terrace. *Akrotiri, Santorini* (00 30 22860 83388 www.astartesuites.gr). Doubles from €330
